Commencement of Academic Year 2026-2027

Dear Students,

Greetings and welcome to the new Academic Year 2026-2027.

We are pleased to inform you that the academic year will officially commence on Thursday, 2nd April 2026. We look forward to beginning this new journey with enthusiasm and commitment to learning and growth.

In accordance with the current instructions issued by the Ministry of Education, all classes will be conducted online until further notice. Students are required to attend their lessons through the designated platforms, Google Classroom and Zoom. Detailed schedules, class links, and instructions will be shared with you through the respective platforms.

We would like to emphasize that attending online classes regularly is very important, as it ensures continuity in learning and helps you stay on track with your academic progress. Your active participation, punctuality, and discipline in the virtual classroom are highly appreciated.

We wish all our students a safe, successful, and productive academic year ahead.

Stay safe and stay blessed.

Best regards,

Principal
